Pheasant Landing Neighborhood Watch Group

Dear Pheasant Landing Neighbor,

Our subdivision has formed a Neighborhood Watch Group with the help of Joliet Police Department Officer John Hanke. We would like to do a RE-LAUNCH of this group, with the help of Officer Ed Johnson.

We are currently seeking volunteers to become "Block Captains" for your street. This position is one of extreme importance but requires only about sixty (60) minutes of additional time per month. Below are a few of the Block Captain's responsibilities but they are not limited to:

1. Attend Neighborhood Watch Group Meetings
2. Acts as liaison between the Watch Group and the Joliet Police Department
3. Gathers information from watch member on suspicious activities occurring within the Watch Block Area, and turns it into the Lead Block Captain.
4. Disseminates information received from the Joliet Police Department to all members of his/her watch group.
5. Contacts New Homeowners moving in for the purpose of explaining the Neighborhood Watch Program and inviting them to participate in it.

in order for a Neighborhood Watch Program to be successful, we need people to get involved.

If you are interested in becoming a "Block Captain" please contact the Lead Block Captain Donna Hahn at donnahahn@comcast.net or by phone 630-319-8602.

Also, our re-launch Meeting will be held on May 20th, 2014 6:00 pm - 8:30 pm at the Joliet Library on Black Road.

Thank you in advance for your support.

Donna Hahn
